Executive Summary

Part I: General Information About The Agency

The Council on Chiropractic Education is recognized as a specialized accreditor. It currently accredits 15 doctor of chiropractic programs at 18 sites in 13 states. Of these programs, CCE accredits one program that is offered through a single-purpose chiropractic institution. The agency's one single-purpose chiropractic institution uses the agency's accreditation to establish eligibility to participate in the Title IV HEA programs. Accreditation by the agency also allows its 15 programs to participate in non-Title IV programs offered through the Department of Health and Human Services (HHS).

Recognition History

CCE was first recognized by the Commissioner of Education in 1974 and has received periodic renewal of recognition since that time. The agency was last reviewed for continued recognition at the Fall 2011 NACIQI meeting. At that time, it received continued recognition and was requested to submit a compliance report on several areas of the Criteria. The agency's compliance report was reviewed at the Fall 2013 NACIQI meeting, and the agency's recognition was continued for a period of three years. The agency was last reviewed for continued recognition at the Fall 2017 NACIQI meeting. At that time, it received continued recognition and was requested to submit a compliance report on one area of the Criteria. The agency's Compliance Report is the subject of the current staff analysis. No complaints about the agency were received this review period.
